

TECHNICAL FEATURES AND OPTIONS

Working Temperature

-30°C / +110°C

Interchange

DIN/ISO 228

Flow Rate

Up to 592 l/min

Operating Pressure

Up to 500 Bar

Available Threads

BSP-NPT

Material

Carbon Steel/Aluminum

Available Sizes

From M14 to M52

Sealing Description

Nitrile NBR

MAIN APPLICATIONS

Agriculture

Hydraulic Industry

Earth Moving

Vehicles

Chemical
